The Board of Selectmen
Town of Richmond
Winchester, N.H. 03470

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1976. Exhibits as hereafter listed are included as part of this report, however, only this letter of transmittal along with the special Revenue Sharing report need be printed in your annual Town Report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the Town's permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets shown an increase in the net surplus of the Town from \$2,264.10 in 1975 to \$20,627.44 in 1976.
2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations in the amount of \$11,547.55.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus in the amount of \$3,015.98.
4. The Budget Summary shows a net budget surplus in the amount of \$14,563.53 for the fiscal year ended December 31, 1976.
5. Summaries of other accounts include Town Treasurer, Tax Collector, Town Clerk, Trustees of Town Trust Funds, and the Revenue Sharing accounts.
6. Summary of Long Term indebtedness indicates a reduction in the principal amount from \$15,000 to \$12,000.
7. The special Revenue Sharing report required by the Department of Revenue Administration of the State of New Hampshire, must be published in your annual Town Report.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the custody, receipts and disbursement of public funds, as indicated in the scope of audit, were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of the uncollected and unredeemed taxes was made by mailing notices to a majority of the delinquent tax payers as indicated by the Tax Collector's records.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1976, and in our opinion the accompanying balance sheets and statements of sources of revenue and expenditures, present fairly the financial position of the Town of Richmond as of December 31, 1976.

THANKS

We extend our appreciation and thanks to all the Town officials of Richmond for their excellent and sincere assistance and cooperation during the course of our audit and examination.

Very truly yours,
Arnold B. Conway
Evelyn T. Conway
Auditors

SELECTMEN'S REPORT

Your Selectmen held fifty-one regular Monday night meetings to conduct normal Town business, and to meet with the public. In addition to these the Selectmen held ten special meetings dealing with assessing, four dealing with roads, two to meet with taxpayers regarding their assessments, attended conferences dealing with assessing and with Welfare Guidelines, attended the Tax Sale, and assisted at four Electons.

In the fall, the town boundaries were perambulated with representatives of adjacent towns. We would like to thank Luke Faust for assisting with this.

We are extremely proud of the newly painted Town Hall, and the refinishing of the interior of the Veteran's Hall by volunteers under the guidance of Mr. Gilman. Special thanks are due to Ruby Austin for organizing the stenciling of the walls in the Veteran's Hall and to Mr. Kenneth Jewett of Peterborough for his technical assistance.

In 1973, a new card system was established for assessing houses and other buildings. During this year, we have worked on a system of standards for assessing land, and hope to apply this in 1977, making all of our assessing by objective criteria.

The major activity of our road program was the new steel bridge on Whipple Hill Road. This will eliminate the constant repairs we have had to make in recent years. Although money was appropriated for the crushing of gravel, we found that the evaluation of various sources, and the negotiations to procure the same dragged out through the summer and fall, and came to no happy conclusion. We will have new proposals for this year to present to Town Meeting.

The cleaning and leveling of the Recreation Complex area was completed in time for the Town Fair, thanks to the committee consisting of George Blais, Harry Bennett, Leland Robbins, Robert VanBrocklin and Sue Brewer. Their report will be found elsewhere in this book.

Gaining State approval for dredging and cleaning waterholes required too much time to allow the work to be done this year, but the appropriation will carry over, and the work done in 1977.

We would like to thank the various Town Boards and Committees for their assistance and cooperation. It is our pleasure to announce that Bob and Sylvia VanBrocklin has consented to be custodians of the Town Hall and Veteran's Hall.

During the year, we issued 26 Building permits, and referred one case to the Board of Adjustment.

Richmond Library has been the center of much activity this year. Two Bicentennial events took place on the premises and the Friends of the Library sponsored three sales. These sales netted a profit of \$372.15. Several film programs were presented by the Friends at the beginning of the year. In October they sponsored a lecture by Mr. Charles Hapgood entitled "My experiences with ESP." About 40 people attended.

We are happy to have the Girl Scouts making use of the library rooms on Wednesdays. Under the direction of Mrs. Sandra Doubleday they hold their meetings and do many crafts. All kinds of craft materials can be left at the library for their use. It will be much appreciated.

An electronic alarm system has been installed in the entire building and a smoke detector added to the main room.

Three windows which were located on the rear wall have been removed, the wall closed in and shelving installed. This has created a new reference section which is very accessible and useable.

In February a recognition certificate was awarded to our library for meeting all standards of the New Hampshire Statewide Development program. This is our second award.

I have attended two District Advisory Council meetings and one day of the annual New Hampshire Library Council meeting. Mr. Luke Faust also attended one day on behalf of the Board of Trustees.

My many, many thanks for the gifts of books and magazines. We accept all gifts with the understanding that what we cannot use in our collection will go into the book sales. Your generosity is always appreciated.

I would also especially thank Norma Thibodeau for the lovely table and chairs for our new addition. They blend beautifully with our decor and are being well used. Also, my thanks to Miss Mary Beers for redoing our library sign and to the Girl Scouts for the very attractive flower bed they made on the front lawn. It was a colorful spot all summer.

Edith W. Atkins, Librarian

Report of FIRE CHIEF

I hereby submit my report to the Selectmen and citizens of Richmond for the year ending December 31, 1976.

The year 1976, we were very fortunate and had very few fires. We were called to Swanzeý for cover a few times, also to a couple of fires in Swanzeý.

The Fire Department has purchased some more new coats and some heavy bunker pants, also we purchased 500 feet of new hose to replace some of our hose.

At this time I would like to thank everyone who worked on trucks when needed and especially want to thank Meadowood and surrounding Towns of Swanzeý, Winchester and Fitzwilliam for help through Mutual Aid.

Respectfully submitted
Robert VanBrocklin
Chief, Richmond Fire Dept.

By authority of the State of New Hampshire, the Forest Fire Warden controls all outside burning in his town, except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow, must obtain a fire permit free of cost from the Town Forest Fire Warden. No permits will be issued for fires between 9 a.m. and 5 p.m. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember, it can be an extremely useful tool when under control, but once allowed to run wild it can become a disastrous and devastating force, only you can prevent a forest fire.

Robert VanBrocklin
Forest Fire Warden

Dear Mr. Heise:

I would like to have you put my letter in your local paper to thank all the great guys who helped save my husband's life while we, with our two granddaughters, were camping at Shir-Roy Campgrounds with the Mohawk Winnie, a Winnebago club, and to tell all the people of Richmond and Winchester that they can be proud of the well trained and efficient emergency squad, police dept. and all the firemen who had a hand in saving my husband's life.

On Oct. 10 of last year Al, my husband, suffered a heart attack while camping at Shir-Roy Campgrounds. We were lucky to have in our club an R.N. and as I am an L.P.N. the two of us saw Al needed help and IMMEDIATELY. Some of the men ran over to Mr. Heise's home and asked for aid -- oh he was so nice -- In 5 min. all kinds of help came. After giving first aid Al was rushed to Keene's Cheshire Hospital. All traffic was halted and it was just like a horrid dream. I want to especially thank your fire chief Robert VanBrocklin for following the ambulance with me in his car with all the lights and sirens going full blast. It seemed we would never get there. When we arrived at the Hospital the emergency room was waiting for Al and started working on him immediately.

Mr. VanBrocklin waited with me until Al was out of danger then took me back to camp. What a grand guy. Thank you so much.

I can't thank all the persons who saved my husband's life enough. What a great bunch of guys. The emergency squad, firemen and police.

Al was in the hospital 15 days and I was sure happy to bring him home. After 3 months he went back to work and he retires tomorrow, Mar. 26, from Bay State Abrasives here in Westboro after 34 years of faithful employment. So thanks to all of you and especially to Mr. Heise we can enjoy our life of retirement and camping.

So in closing thank you, thank you all for your part in saving a life so precious to the Beauregard family and friends.

Yours very sincerely,
/s/ Mrs. Al Beauregard

ANNUAL REPORT 1976

RICHMOND BICENTENNIAL COMMISSION

During 1976 many projects and activities sponsored by this Commission came to fruition. Town Fair Day, July 3, 1976, was the focal point of activity with a full day of events enjoyed by town folk and guests. The Recreation Committee under the chairmanship of Mrs. Sue Brewer, set up old time games for the pleasure of all. Arts and Crafts demonstrations by townspeople and guests were organized by Mrs. Sylvia VanBrocklin and a well planned enlarged version of 1975's parade was directed by Miss Christine Blais. A third quilt was made especially for the occasion was raffled for the benefit of the Bicentennial Commission while our two Town Quilts (one all hand quilted, the other tied) were on display in the library. Our "Pictorial Book of Events" was displayed near by showing many events and activities of the past year. On sale also that day were our Bicentennial Plate and a few of the new 1977 - 225th Anniversary plates designed by Mr. Stewart James. (These will be on sale this next year also.) A free movie was shown by friends of the library at various intervals, at the civil defense center. The Commission ordered this from the NHARBC and it depicted the early life and historic places in New England. The Quaker Cemetary looked its best through the careful treatments of the Conservation Commission under the guidance of Mr. Harry Bennett. As one drove through Richmond, beautifully hand made signs by Mr. Arthur Wicks pointed out historic points of interest. Evident also were signs on houses built previous to 1830 which had been researched by Mrs. Jennie Bennett and Mr. Harold Dickinson and carefully hand crafted by Mr. & Mrs. Eve Quintard to help the Commission in its celebration plans. To cap the days events a delightful candlelight Musicale featuring local and guest talent was held at Ryder Hall, home of Mr. Richard Boutwell, where almost one hundred people enjoyed music of and about the Revolutionary Period followed by refreshments served by the Commission. As the last strains of music and suns rays faded that evening, one could not help but feel it had been indeed a good beginning for the third century.

Plans are now underway concerning 1977 the third and last but not least year of your Commissions existance. It will be a full one as this is Richmond's two hundred twenty-fifth year of being and she will, I am sure, show forth her best. Our archives dedication will be on Memorial Day 1977 when various gifts which the archives has received will be publicly acknowledged and on display. We are greatful to all who have contributed cash (which we are using for acid free storage materials to preserve documents) and the many other items which people have given us to be included in the archives. The new quilt of different design being made expressly for the 225th celebration this year, we hope will be completed before too long. We hope it will help us

finance Quaker Cemetery upkeep. More historic sites will be marked. The project of marking private dwellings is still open until April 1, 1977 for people with verification of dates on their houses. (Please contact Mrs. Jennie Bennett or Mr. Harold Dickinson).

In closing may I thank all who have contributed with help to make this year a successful one for Richmond and may I solicit your thought and help to enhance our 1977 celebration.

Respectfully submitted,
Norma C. Thibodeau
Chairman

Report of the PLANNING BOARD

1976 was a quiet year for the Planning Board which met monthly on the fourth Wednesday at the Town Hall.

Only one Subdivision was approved, the Mary Hallas property on Taylor Hill Rd. was divided into two lots for the Hallas sons.

The Board worked hard to revise and update the Zoning Ordinance to present a readable and orderly format to the Town Meeting.

We were disappointed when the proposed Zoning was defeated by a vote of fifty to sixty. Copies of the Zoning were mailed to each household on the checklist with a letter asking for help and for suggestions as to why the amendment failed. The returns to this plea were so few as to be inconclusive.

Our guess is that the districts, especially the village district were unacceptable to many, and also the Junk car restrictions. There does not seem to be objection to the Wet Lands Conservation District, and everyone seemed to agree that the new format made the Zoning Ordinance easier to understand.

As there was so little interest shown the Board voted not to present any Zoning amendments to the 1977 Town Meeting. With revisions we will probably try for the 1978 Town Meeting.

After holding a Scenic Roads Public Hearing in June on the proposed TRA work to be done on the Hatchery Road, the road was walked by the Planning Board and Selectmen in order to note any drainage problems. It was also recommended that no stone walls be harmed, and, as with the Bullock Road, that as little clearing as possible be done.

Betty Wicks and Jerry Merrifield joined the Planning Board in 1976 and Lee Robbins was the Selectmen's representative.

RECREATION COMMITTEE

Camp Takodah camperships this year went to Harold Blair, John Hillock, Jr., Sherry Bigda, and Chrissy Bartos.

The day camp and sleep over at Camp Takodah were a big success again this year. Approximately 45 kids attended. We would like to thank all the parents who helped drive the kids back and forth from the day camp and swimming lessons.

We co-sponsored fireworks over Cass Pond along with the fire department and Camp Takodah.

In April we took the kids bowling in Winchester.

In May we had a adult dance at the Veterans Hall.

We showed two Walt Disney films following a pot luck supper in June.

At the July 4th barbecue we hosted some old time games for both children and adults.

Chris Blais, Ruth Blais, Betty Carrier, Nancy Marrer and Carol Thompson did a great job with the haunted house at the Halloween party in October.

In December we held our Christmas party. The children received presents, candy, and had a nice visit with Santa.

RICHMOND POLICE DEPARTMENT Report, year ending December 31, 1976

We are happy to say again this year that we did not go over our budget.

There has been the much needed cooperation this year from concerned citizens. In a town this size it is very important. Many thanks go to the individuals who called us when they saw suspicious things going on.

The Chief and the officers drove approximately 14,972 miles for the town and many more miles donated. They worked approximately 1,045½ hours also many hours were donated.

Approximately 200 complaints were received. They were as follows:

39 Warnings given MV

5 Arrests

25 Assists to other towns

11 Break & Entry Investigated

10 Accidents Investigated

110 Miscellaneous

Police department number is 239-6007, if no answer call 352-1100.

Report of the RICHMOND CEMETERY COMMITTEE

To the Board of Selectmen:

In accordance with the plans proposed by the committee in 1976, wooden signs have been erected at the South Cemetery, Middle Town Cemetery, Earl R. Howard Memorial Extension, and the Quaker Cemetery. To this date, none have been molested. White cedar posts were donated by a good friend in Chesham, N.H., and the committee installed the signs.

The Benson Cemetery was mowed again, and the usual maintenance of the other cemeteries was performed.

Under the supervision of Mr. Ahlberg, the Boy Scouts painted the board fence at the Middle Town Cemetery.

The rough ends of the wall at the opening between the South Cemetery and the Memorial Extension were squared up, and the brush was cleared along the wall.

The committee is happy to report that vandalism in the South Cemetery has seemed to lessen somewhat this year, possibly because of an attempted curb on the playing of leap frog over the monuments!

The committee hopes that the \$500.00 appropriation requested will enable some repair of broken gravestones, lot fences and the filling of some graves, all of which should be done.

The committee also hopes the town will vote to transfer to the General Fund the small balance left over from the \$2,000.00 special appropriation for preparing the Earl R. Howard Memorial Extension, as this project has been completed.

Please do not decorate graves with artificial flowers, as they are hazardous in maintaining the cemeteries after the floral pieces have deteriorated.

Jane Jillson, Chairman
Valma E. Davis, Secretary
Harry J. Bennett

Report of the RICHMOND CONSERVATION COMMISSION

To the Board of Selectmen:

The Richmond Conversation Commission hereby presents the following report of its activities for 1976:

1. The restoration of the Quaker Cemetery was completed in time for the Richmond Town Fair. The work consisted of burning the brush cut last year and completing the removal of the rest of the brush and mowing the area. Some gravestones were reset, and the chains around individual lots were repaired, thanks to the co-operation of Frank J. Amarosa, Jr., who donated his time and equipment to make this possible. Hopefully, the town will see fit to include this historic spot in the regular cemetery operations.

2. In regard to monitoring the water quality of Cass Pond and the aquatic weed control program, the commission held a meeting with the Cheshire County YMCA and Shir-Roy Camp Grounds, to which the public was invited.

It was agreed that the Conservation Commission would handle the funds that might be donated to assist in this work and accept donations, putting them into a Special Fund. For the town's share, the commission donated \$100.00 of its own funds, Camp Takodah donated \$100.00, and Camp Shir-Roy donated \$100.00. Luke Faust also made a donation. Fred Toot, Director of Camp Takodah, agreed to supervise the monitoring operations. The YMCA bought the monitoring equipment, and a report of the year's activity will be available at a later date. Luckily, there were no outbreaks of aquatic vegetation this year.

3. The commission manned an informational booth at the Richmond Town Fair and passed out pamphlets concerning forestry and conservation.

4. Chairman Bennett accompanied the selectmen and Planning Board members on an inspection of the proposed TRA project on the Fish Hatchery Road at which time the removal of trees and the control of the Rice Brook situation were discussed.

5. In order to protect the road leading into the Town Forest from Route 32, Commissioner Quintard fashioned two locust barway posts and three bars, which have been installed. The purpose of this barway is to keep the road from being rutted by wheeled vehicles until the commission can make improvements on the road to enable citizens to go in and remove marked trees for firewood. A sign was erected at the barway welcoming hikers and nature enthusiasts to enjoy the Town Forest.

6. The commission received a grant from the Agriculture Stabilization Service to perform fifteen acres of timber stand improvements in the forest. Owing to circumstances beyond our control, only about half of this work was completed, but we have been given an extension of time into 1977 to complete the project.

7. The commission has held regular meetings or work meetings at least every month, and as soon as our minutes have been approved, a copy has been sent to the selectmen.

For your own protection, the commission urges anyone planning to either fill or dredge any wetland area to obtain a permit to do the work from the Water Resources Board in Concord. To obtain information, contact either the above mentioned agency in Concord or the Cheshire County Conservation District office in the Federal Building in Keene. The Keene telephone number is 352-3602. This office has all the necessary forms and can instruct anyone as to procedures.

Many people have donated time, effort and money to our work, and we wish to thank everyone for this cooperation and help. The year 1977 should be a banner year.

RECREATION COMPLEX COMMITTEE

This committee was formed this year to initiate the plans for developing the land behind the fire station, civil defense building and the library for recreational purposes.

The first thing we did this year was to have Tom Christenton from the State Soil Conservation Service look at the property and then Harry Bennett drew up a map of the area. Bob Packard cut all the trees down and removed them from behind the civil defense building.

We had Arthur Whitcomb in, after being low bidder, and remove all the stumps, load and haul them away to Guy Packard's stump dump on the Pond Road. He also removed the stone wall and graded the entire area. He hauled in many yards of gravel for the parking lot behind the civil defense building. We had a few townspeople cut the trees behind the library that were marked by the Conservation Committee to thin it out for the proposed playground and picnic area.

We also had a new entrance made going into the Quaker Cemetery.

RICHMOND TOWN GOVERNMENT

A NEW SPIRIT IN AN OLD TOWN

At the ripe old age of two hundred and twenty-five years, Richmond is an old town filled with a new spirit — the spirit of Community. Visitors and residents of neighboring towns frequently comment on this sense of community, and point to Richmond as a town where people are doing things — exciting things — together.

Only one-quarter of our residents have lived here more than ten years. Yet our community leadership is a happy combination of the "open-minded" spirit of our "old timers" and the acceptance of community responsibility by new folks. Traditions of the past have been preserved and restored.

The signs of this sense of community are everywhere to be seen: the newly completed addition to the Public Library, the re-furbishing and stenciling of the Veteran's Hall by volunteers, the \$1,800 raised this fall to repair the Old Brick Church, the restoration of the Quaker Cemetery, the new town archives, and the ever growing Town Fair.

There is a willingness to allow people to live their varied life-styles, combined with community planning reflected in our longstanding zoning law and subdivision regulations. And there is that spirit of helpfulness only possible in a small town where we know one another and realize our dependence on one another.

Richmond is an old town and a small town, but a town rich in this spirit of community. We may not have many people — but we have the best people.
